

RUBBER WHEEL SERVICE

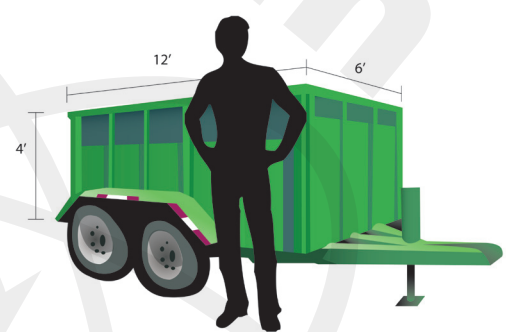

Containers can be delivered and maneuvered more easily to be placed where needed in tight driveways. Wheels greatly reduce risks of gashes, cracks or gouges that can occur due to delivery or removal of the heavy steel containers.

5 Yard Container [12x6x2]

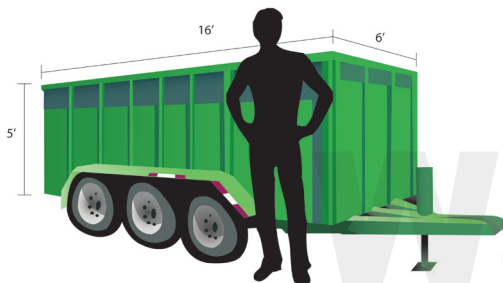

Holds approximately 20 sq. yards of shingles.

10 Yard Container [12x6x4]

Holds approximately 40 sq. yards of shingles.

20 Yard Container [16x6x5]

Holds approximately 80 sq. yards of shingles.
