

Waste
Solutions, Inc.

COMPACTOR SERVICE

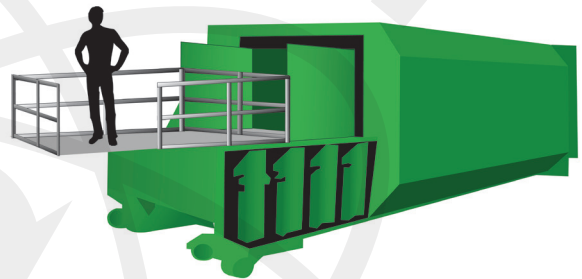

Compaction is the most efficient and cost effective manner to handle unmanageable volumes of waste materials. Compactors reduce waste to a fraction of its original size.

Side-load Security Chute

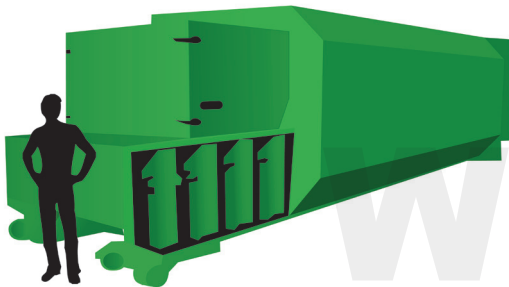

Typical side-load security chute includes inside security door.

Walk-On Dock

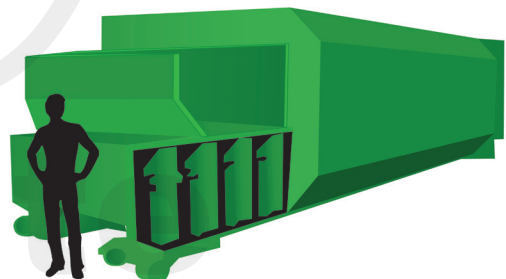

Typical Walk-On dock installation. Available fully-enclosed with safety gate and gate interlock.

Fully Enclosed Free Standing

Typical fully enclosed free standing installation. Includes lockable door & keyed remote operator.
We also have 30 & 35 yrd. Self Contained Units

Open Ground Loading

Typical open, ground loading installation. Ideal for throw-ins, truck clean-out or fork-lift use.
